PDMP opiate prescribing bill.

Letter drafted and sent by friends at APRN alliance,

Thanks to Tracey Wiese for hard work on this

Concern for specific qualifications, if need to access PDMP
every time Rx controlled substance, should be discretion of
prescriber.

Consider allowing access to nursing and medical support staff
to print up reports beforehand.

Please visit APRN Alliance table at September conference and

consider getting involved. They are in need of an NP to sit on the governing board, as Tracey will be stepping down.
Thanks to Tracey for all her hard work with legislative issues.

- Survey of NPs in Alaska –
Robin Bassett and Lois Rockcastle to take over for Barb Berner.
Because Robin faculty at UAA will be able to continue to use CITRIX
