## A WORD FROM OUR VICE PRESIDENT

Hi All

I am excited for Branson!!! Book now for August AMNP Conference. I'm staying at the Hilton Convention Center right now and I can tell you I can't wait to fill this place with Missouri NPs. It is immediately across from the Branson Landing. That place will be a blast on tax free weekend which is the first weekend in August so what about a shopping spree, great restaurants and cocktails!! Invite your friends and colleagues and have a time to remember! Remember our money invests in you by working on Improving Missouri NP practice. Look at the pictures I took and I'll see you in Branson in August!!!!

JoAnn Franklin

## Philanthropy and Public Relations Committee Update

The AMNP Philanthropy and Public Relations Committee was developed January 2017 with the primary goal of giving back to the NP profession through the offering of scholarships and recognition of excellence among our NP members and students.

We are pleased to announce we have selected the recipients of our 2017 AMNP student and member scholarships and awards. Many applications and nominations were received from outstanding Missouri NP's and NP students. Thank you to everyone who applied or submitted a nomination. Award recipients have been notified and will be announced during our upcoming annual conference in Branson on August 4th – 5th.

We are actively seeking additional members to serve on this committee. Over the next year we plan to develop an evidence based practice resource session for our website, develop a social media campaign to promote public education on the value of NP provided health care in Missouri and create fundraising campaigns to support our scholarship efforts. If you are interested in serving on this committee (student participants welcomed and encouraged) or if you have any questions, please email Julie Long at [julie.long777@icloud.com](mailto:julie.long777@icloud.com).
