

Nurse Practitioner Council of Palm Beach County

Empowering APRNs to improve health through philanthropy, education and leadership

February 6, 2019

Greetings,

The Nurse Practitioner Council of Palm Beach County is celebrating our 25th year as a council. This year our conference will be held on Friday & Saturday, October 11th & 12th, 2019 at the PGA National Resort and Spa, 400 Ave of the Champions, WPB, FL 33418

Over one hundred and seventy-five nurse practitioners throughout Florida are expected to attend. The Nurse Practitioner Council of Palm Beach County reaches hundreds of APRN members. This is an excellent opportunity to disseminate the latest information and updates on pharmaceutical products, devices, programs, and offerings.

As a valued exhibitor/vendor partner, you are invited to participate.

Each year the number of attendees increases, and we are expecting a robust registration of nurse practitioners based on the new location, nationally- acclaimed speakers, and reputation for quality continuing education. Our exhibit hall will provide you with access to the participants through the conference with dedicated time and exposure for your products and services.

We have three (2) tiers of support with varied exposure to our attendees:

Platinum level \$950

This sponsorship is available to Pharma and companies wanting a prime booth location. This sponsorship will include your complimentary exhibit table in a prime location and recognition in the conference program.

Gold level \$500

This sponsorship is available to medical companies and colleges. This sponsorship will include your complimentary exhibit table and recognition in the conference program.

Product Theater

Currently, Product theater time is available on Saturday morning and afternoon. If you would like more information on pricing and times available, please contact npcouncilpbc@gmail.com.

We look forward to your continued support of our profession and our event. We value our exhibitors and want our attendees to have optimal exposure to your products and services.
