

7th Annual EMS Conference

Friday, September 29, 2017 • 7 a.m. to 4:15 p.m.

Piedmont Athens Regional Medical Center

Educational Objectives:

At the conclusion of the conference, participants will be able to:

1. Discuss evidence-based treatment options for the management of critically ill or injured patients relative to the knowledge and expertise of each of the inter-professional team members
2. Identify collaborative behaviors necessary for the effective implementation of appropriate treatment options for a range of emergency medical conditions
3. Employ skills to foster inter-professional team work and team-based, collaborative care for patients with a range of emergency medical conditions.

Educational Audience:

This activity will be designed for EMTs, Paramedics, other first responders as well as physicians, PAs, NPs, nurses, and other members of the health care team. **We welcome all from the medical community to attend our programs.**

Conference Location:

John A. Drew Lecture Hall • Medical Services Building • 3rd floor
