

Are you an **RN** or **NP**?

Participants needed!

I am conducting a study of **attitudes toward transgender individuals**, an important area of research to understand how to improve transgender healthcare.

- ◆ Please consider participating if you are a licensed and practicing Registered Nurse or Nurse Practitioner over the age of 18
- ◆ Interested participants are willing to take an anonymous, brief online assessment of attitudes and answer questions regarding feelings toward transgender individuals and clinical experiences
 - ◆ The total time needed is ~15 minutes
- ◆ **Participation can occur by following this link:**
