### 2018 CONFERENCE

Our 1st Annual Practice Summit and Pharmacology Review was a success! Despite the rare April blizzard, over 100 APRNs were in attendance. Due to popular demand we will be looking for a larger venue for next year’s conference. Watch your email for opportunities to get involved.

*Over 100 APRNs braved the snow on April 14th to learn about pharmacology*

## 2018 WORKFORCE SURVEY WILL INCLUDE ALL APRNS

The 2018 survey has been revised to include all 4 APRN roles and will launch via email mid-June. Your participation is appreciated. This survey collects important information which helps APRNs in evaluating new or current compensation packages. The MN APRN Coalition also uses your responses to guide our future advocacy and legislative efforts.

## MULTISTATE REIMBURSEMENT ALLIANCE (MSRA)

MSRA seeks to learn where you and your patients are encountering delays, issues or roadblocks related to reimbursement issues. They track the trends and then leverage the volume of reports to act on your behalf when we meet with insurance executives.
