

## CANDIDATE for DISTRICT 4 REP

Dr. Sondra Bedwell

I would like to be considered for the representative of District 4 for the ANPA board.

I have been on faculty for UAMS CON for 15 years and have represented nurse practitioners and our practice to local congressmen and business leaders. I have a good relationship with the nurse practitioners in our district and enjoy keeping in touch with them.

I am excited about our new association and feel that it is a pivotal time in our profession for strong leadership and promotion of our practice. As a “working” nurse practitioner, I feel I have an understanding of the practice and concerns of those practitioners who are practicing outside of academia.

It is my belief that I could provide a positive impact in our district and support the association with continued growth.

Thank you for your consideration.

Please provide three statements on why you should be considered for election to the ANPA Board of Directors:

- #1 I am well-established in our district and available to our local NP's.
- #2 I enjoy promoting the expanding role of nurse practitioners.
- #3 As UAMS CON faculty for 15 years, I am well-acquainted with the graduates in our district.
