

2018 HEART SUMMIT

ARKANSAS HEART HOSPITAL®

APRNs, PAs & NURSES
FRIDAY, AUGUST 17
EMBASSY SUITES
11:30AM - 5PM

Returning this year by popular demand – our APRN/PA/Nurses track. We were so pleased to make this addition for our 2017 event and the feedback was overwhelmingly positive. We have put together another terrific day and look forward to you joining us again or if you have never participated in our Heart Summit event – we would love to have you join us.

We have crafted an agenda of current, practical and clinically relevant cardiovascular topics to enhance and enrich your professional education and add to your current skill set. We are pleased to offer 7.0 contact/CE hours through ACCME/ANCC for this afternoon session. Sessions will be presented by faculty members who specialize in cardiovascular disease and treatment. The Friday afternoon Agenda is on the opposite side of this card.

We will offer lunch from 11:30am-12:15pm. Educational sessions begin at 12:15pm and end at 5:00pm.

If you have questions, feel free to email: Vickie.Wingfield@ARHeart.com.
