WHAT CAN CONTINENCE NURSES EXPECT AT ICS 2018

We are planning an amazing, innovative programme for the ICS annual meeting in Philadelphia that will attract a multi-disciplinary group of professionals including urologists, gynaecologists, neurourologists, nurses, physiotherapists and basic scientists.

CLINICAL DIRECTIONS PROGRAMME ONLY \$50 TO REGISTER

8 CONTACT HOURS AVAILABLE

A 1-day educational programme dedicated to topics about the latest evidence on managing urinary incontinence and urinary tract infections. Lectures by researchers and clinicians will provide the latest evidence on a variety of topics and allow providers, especially nurses, to catch up on some clinical skills.

THURSDAY 30th AUGUST – ONLY \$100 TO REGISTER

A day of nursing focused scientific sessions, forums and workshops. Plus networking opportunities with international key opinion leaders.

REGISTER FOR \$450 – GET ALL THE ABOVE PLUS SO MUCH MORE

ICS is the best conference for nurses who specialise in continence care. It's the "must attend" for those who want to be at the forefront of their field by understanding the latest research evidence and future direction of developments to inform their practice.

Roger R. Dmochowski
Scientific Co-Chair

Lori Birder
Scientific Co-Chair

WORKSHOPS

With over 35 workshops to choose from you will be guaranteed to find something to advance your education. There are several interactive, hands on workshops which sell out fast.

Workshop 15 The ageing bladder reconsidered: urinary homeostasis from basket to casket

Workshop 11 Cultivating the next generation of nurse leaders to create a global vision and strategic plan for geriatric UI/LUTS

Workshop 26 ICS core curriculum (free): continence care nursing

NURSES FORUM

Listen to lectures of recent research and experiences of nursing around the world.

AND MORE! ROUND TABLES AND SCIENTIFIC SESSIONS

Roundtable 4 Nocturia and its consequences

Roundtable 6 The life of the ageing bladder

Roundtable 7 The Science of behavioural treatments for LUTS

Roundtable 8 Incontinence and emerging technologies

ICS 2018 will also have over 35 educational plus dedicated conservative management track sessions plus over 45 hours of scientific abstract presentations.

ICS 2018 provides the perfect setting to stay up-to-date on the latest research and breakthroughs in incontinence.
