

# UW TELEPAIN

A free service for providers to increase knowledge and confidence in chronic pain management, and to present difficult chronic pain cases for consultation

UW TelePain conducts collegial interactive videoconferences that include:

- Didactic presentations from UW Pain Medicine curriculum for primary care providers
- Case presentations from community clinicians
- Interactive consultations with an interprofessional panel of pain specialists
- Measurement-based clinical instruments to assess treatment effectiveness and outcomes

## Interdisciplinary panel includes

Pain medicine & primary care, psychiatry, rehabilitation medicine, anesthesia, family medicine, and psychology

## Supported by

Washington State Health Care Authority

## CME available

The University Of Washington School Of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University Of Washington School Of Medicine designates this live activity for a maximum of **73.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session 1.5 credits).

## WHEN

**Every Wednesday, 12:00pm – 1:30pm**

## WHERE

State-wide video conference via Zoom video conferencing

Register and receive TelePain connection information by clicking the registration link below

## WHO

Community providers who want to learn more about managing patients with chronic pain, or have a case/question about a specific patient with chronic pain
