Advanced Practice Registered Nurses (APRN) Parity Workgroups

On December 6, 2018, the Division of Health Care Financing and Policy (DHCFP) conducted a public workshop regarding the Nevada Medicaid State Plan Amendment (SPA) proposal to reimburse APRNs (Provider Type (PT) 24) and Nurse Midwives (PT 74) at the same level as Physicians (PT 20).

Due to attendee feedback, it was decided to conduct informal workgroup sessions regarding the proposed SPA and to further discuss issues that are occurring in PT 24 and PT 74 that impact reimbursement parity. The workgroups have been broken into four different topics: 1) Certified Nurse Midwives / Birthing Centers, 2) APRNs in Rural Nevada, 3) APRN Pediatrics, and 4) APRN Psychiatric.
