

**You're Invited to the 5th Annual
Kansas Advanced Practice
Registered Nurse Annual
Conference
February 20-21, 2026
at the Overland Park Marriott in
Overland Park Kansas**

According to the National Center for Workforce Analysis (2024), in 2022, there were 279,194 primary care physicians in the U.S. That same year, there were an estimated 270,660 APRNs delivering primary care in the United States.
