**Time:** 8:00 AM – 4:00 PM

5232 East Freeway, Baytown TX 77521

## Advancing Nursing Leadership, Health Equity, and Clinical Excellence

The NP Collective Dialogues 2026 – World Café is an immersive educational symposium designed to bring nurse practitioners, nurses, healthcare leaders, educators, and interdisciplinary professionals together for high-level collaborative dialogue focused on the future of healthcare delivery, advocacy, reimbursement, and equitable patient care.

Using the internationally recognized World Café model, participants engage in small-group discussions that rotate to foster innovation, solution-focused thinking, professional networking, and actionable strategies for clinical and systems-level change.

This event aligns with the competencies outlined in the [American Association of Colleges of Nursing \(AACN\) Essentials](#), which emphasize health policy, communication, population health, leadership, systems-based practice, and professional development in nursing education and advanced practice.

### Objectives

To create a transformative interdisciplinary learning environment that empowers nurses and nurse practitioners to:

Influence healthcare policy

Improve health outcomes  
among underserved  
populations

Strengthen documentation  
and reimbursement literacy

Build collaborative professional networks

Advance equitable, evidence-based healthcare delivery
