

This conference is designed to meet the clinical education needs of advanced practice nurses and students in all four roles: CNM, CRNA, CNS, CNP as well as other nurses and interested healthcare professionals.

This nursing continuing professional development activity was approved by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation

Contact Hours will be awarded, and a certificate will be provided upon completion of conference evaluations.

## CONFERENCE DESCRIPTION

This one-day in-depth conference is designed to provide continuing education benefits ( **8 CEUs**) to attendees through 60-minute presentations by APRNs, RN's, physicians, and pharmacists.

## PROGRAM OBJECTIVES

Learners will:

1. Discuss incivility in the complex healthcare environment and strategies to reduce incivility
2. Discuss framework for psychiatric interview and assessment of suicide and violence risk
3. Describe cultural self-awareness and methods to provide culturally centered patient care
4. Identify common ocular conditions and those which require urgent vs emergent treatment
5. Discuss current migraine treatment and stroke guidelines
6. Discuss Hepatitic C treatment and ways to monitor effectiveness of treatment
7. Identify risk factors of Non-alcoholic Fatty Liver Disease and discuss current treatment
8. Discuss current evidence-based management of heart failure in primary care as well as indications for palliative care
