## House Bill 607—APRN Independent Practice Bill Signed by Gov. DeSantis

According to the FL Board of Nursing, the new law takes effect July 1. APRNs will not automatically assume autonomous practice on July 1—there will be a registration application to complete and submit to the Board of nursing for approval. ## Free Zoom Webinar: Making Summer at Home Fun!

June 18 at 7:00 PM

This summer, camps may be limited, or parents may want to keep their children at home to prevent exposure to COVID19. We will discuss some easy and fun activities to do with children at home this summer. What is even better is most of the items you probably already have in your home! It is important to keep children not only physically active, but also mentally active. We are going to delve into the what the hype is about STEM, and even add an extra letter A for art! Presentation will be led by Dr. Laura Dean Albuja who also holds a MS in Elementary Education from the University of Miami.

## 2020 FNA Membership Assembly, September 24-26, 2020

“Imagine FNA: Creating an amazing future” will take place at the Mission Inn Resort in Howey-in-the-Hills, FL for the purpose of transacting official business of the Florida Nurses Association.
