Legislative Agenda for the 116th Congress

- Certifying patients' need for home health care
 - **H.R. 2150/S. 296 - Home Health Care Planning Improvement Act**
- Ensuring patients have timely access to diabetic shoes
 - **H.R. 808/S. 237 - Promoting Access to Diabetic Shoes Act**
- Including nurse practitioner patients in the Medicare ACO Shared Savings Program
 - **H.R. 900 - ACO Assignment Improvement Act**
- Authorizing NPs to supervise and order cardiac and pulmonary rehab
 - **H.R. 3911/S. 2842 - Increasing Access to Quality Cardiac Rehabilitation Care Act**

AANP | American Association of
Nurse Practitioners

25

Certifying Patients' Need for Home Health Care

- H.R. 2150/S. 296, *the Home Health Care Planning Improvement Act*
- Signed into law under H.R. 748: the *Coronavirus Aid, Relief, and Economic Security (CARES) Act*.
- CMS issued regulations to permanently implement this provision of the CARES Act.

THANK YOU!

AANP | American Association of
Nurse Practitioners

26

Ensuring Patients have Timely Access to Diabetic Shoes

- H.R. 808/S. 237, *Promoting Access to Diabetic Shoes Act*
 - House: Rep. Earl Blumenauer (D-OR) and Tom Reed (R-NY)
 - 91 Cosponsors (**27 R – 64 D**)*
 - Senate: Sen. Sherrod Brown (D-OH) and Susan Collins (R-ME)
 - 15 Cosponsors (**8 R – 6 D – 1 I**)*
- Last Congress, the bill had 4 cosponsors in the Senate (**3 R – 1 D**) and 33 cosponsors in the House (**13 R – 20 D**).
- This legislation would authorize NPs to certify their patients' need for diabetic shoes.

AANP | American Association of
Nurse Practitioners

*As of July 29, 2020

27

Including NP Patients in the Medicare ACO Shared Savings Program

- H.R. 900, the *ACO Assignment Improvement Act*
 - House: Reps. Derek Kilmer (D-WA), Pete King (R-NY), Grace Meng (D-NY), Eleanor H. Norton (D-DC), Scott Tipton (R-CO)
 - 12 Cosponsors (3 R – 9 D)*
- Last Congress, the bill had 23 cosponsors in the House (7 R – 16 D).
- As changes to the Medicare system are made and payment models evolve, it is imperative that NPs are full partners in Accountable Care Organization (ACO) models.

28

Authorizing NPs to Supervise & Order Cardiac and Pulmonary Rehab

- H.R. 3911/S. 2842, the *Increasing Access to Quality Cardiac Rehabilitation Care Act*
 - House: Reps. John Lewis (D-GA) and Adrian Smith (R-NE)
 - 9 Cosponsors (4 R – 5 D)*
 - Senate: Sen. Shelley Moore Capito (R-WV) and Amy Klobuchar (D-MN)
 - 7 Cosponsors (3 R – 4 D)*
- Introduced in 2019 for the first time in July (House) and November (Senate).
- Congress passed the *Bipartisan Budget Act (BBA)* in 2018, which authorizes NPs to supervise these programs beginning in 2024.
- This legislation authorizes NPs to both supervise and order these services beginning in 2020.

Federal Successes

- Passage of the Coronavirus Aid, Relief and Economic Security Act (CARES) Act which includes a provision authorizing NPs to certify and recertify home health care services to Medicare and Medicaid patients, permanently removing this federal barrier to NP practice. The law also strengthens funding for personal protective equipment (PPE).
- The SUPPORT for Patients and Communities Act (H.R. 6) was signed into law permanently authorizing NPs and PAs to prescribe MATs. This law also authorizes CNMs, CNSs and CRNAs to prescribe MATs through October 1, 2023.
- CMS finalized policy, effective in 2019, to authorize patients who voluntarily align with an ACO professional, including an NP, to be assigned to the ACO without requiring one primary care service from a primary care physician.
- HHS released the *Reforming America's Healthcare System Through Choice and Competition* report urging FRA for NPs.
- President Trump signed Executive Order 13890 ordering HHS to conduct rulemaking on regulations to reduce barriers and ensure appropriate reimbursement for NPs.
- MedPAC recommended ending incident-to billing.
- CMS updated guidance for Medicare Administrative Contractor advisory committees to authorize inclusion of NPs and other clinicians.
- SGR repealed and replaced with MACRA - using provider neutral language.
- Legislation passed to allow NPs to certify DME orders.
- A 5-year authorization for NPs to prescribe MATs signed into law.
- 21st Century Cures signed into law, including mental health reform.
- Legislation introduced in House and Senate to authorize NPs to certify patients to receive home health care.
- Legislation introduced in House and Senate to authorize NPs to certify patients' need for diabetic shoes.
- Legislation introduced in House to fully include NPs and their patients in Medicare Shared Savings ACOs.
- Legislation introduced in House to authorize NPs to order and supervise cardiac and pulmonary rehab in 2020.
- AANP President Joyce Knestrick testified before a House Appropriations Subcommittee.
- AANP President Joyce Knestrick participated in two Congressional briefings to Congressional leaders on opioid abuse.
- AANP President Joyce Knestrick met with U.S. Surgeon General to discuss the vital role NPs play in ensuring community health.
- Over 15,000 messages sent to policymakers in 2019.
- AANP activist database now has over 256,000 contacts.
- Health Policy Conference attendees visited with over 200 Congressional offices in 2019.
- The AANP PAC raised \$206,141 and contributed \$133,080 to Members of Congress in 2019.

What Tools are Most Effective in Your Outreach to Legislators

- Grassroots
- Media
- Coalitions
- Data
- Lobbying

32

Continuing Your Advocacy

- Interact with Members of Congress
 - Send them a letter
 - Meet with them in their District/State office
 - Invite them to your practice – let them see you at work
 - Attend a town hall meeting and ask them a question
- District work periods provide great opportunities to get to know your Members of Congress and their staff

Elected officials need to hear from, meet, and interact with NPs.
