

Evidence-based Pain Management

Addressing the Growing Role of Nurse Practitioners and Physician Assistants in Managing Patients with Acute and Chronic Pain

The *Utah Nurse Practitioners* cordially invites you to attend a CME/CE-certified live webinar entitled, *Evidence-based Pain Management: Addressing the Growing Role of Nurse Practitioners and Physician Assistants in Managing Patients with Acute and Chronic Pain*, held live online! This activity will help community NPs and PAs use pain-assessment tools to evaluate patients, improve their familiarity with the FDA Blueprint guidelines for treatment selection, and understand when to use non-opioid pharmacotherapies for neuropathic pain. This activity is intended for clinicians involved in direct patient care, including HCPs who are registered with the DEA and eligible to prescribe all opioid analgesics.

Date: Tuesday, November 10, 2020

Time: 1:00 – 4:15 PM MOUNTAIN

Location: Live Online!

For full accreditation information and to register, visit:

www.rockpointe.com/painwebinar
