New Business

Leadership positions are needing to be filled for next year (2021). A request was sent to all members of Hill Country Nurse Practitioners for nominations for a committee leadership position. There was only one response. Tonight's meeting was for existing committee members to come up with a plan for how to get through this time and recruit a solid committee moving forward.

The next meeting will be in November. Sharon is working with a sponsor that may be able to have a meeting at a venue so that we can have an in-person meeting. There will most likely be limited seating.

The Holidays are nearing. We are hopeful to have an in-person meeting in December at Adobe Verde, to be similar to last year's Christmas gathering. Sharon will try to coordinate this with Adobe Verde. Shooting for Wednesday December 9th.

Foodbanks are still needing donations. Websites were sent to all members. If you cannot make in person donations consider making a cash donation. The process is very simple and online.

Another roadside clean up is being considered. Please consider volunteering when the date is set.
