Continuing Education Info

All courses have been submitted to the Florida Nurses Association (FL #50-3103) for approval of contact hours. **Safe & Effective Prescribing of Controlled Substances** has been submitted to the VA for approval of CME. Attendance for each course will be tracked through Zoom. Completion of a post-activity evaluation is required. Recordings will be provided and can be used to obtain CE. A passing score of at least 70% on a post-activity test is required. Nov. 30 is the cutoff date for submitting evaluations/tests for CE.
