In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to only Healthcare Professionals. Accordingly, attendance by guests or spouses is not permitted.

This is a promotional program and no CME credits are offered. This educational program may include the provision of a modest meal. Otsuka does not offer such a meal to healthcare professionals (HCPs) whose institutions prohibit such hospitality, nor does Otsuka offer a meal where federal or state laws (e.g., Vermont) limit an HCP's ability to accept such a meal. Accordingly, please consult your legal or ethics advisor regarding any applicable limitation before attending this educational program.

This program is intended for primary care physicians (including family practitioners and internists), gastroenterologists, and any other prescribing HCPs involved with the diagnosis and testing of *H. pylori* in adults, as well as non-prescribing HCPs involved with the administration of BreathTek® UBT for *H. pylori*, such as medical assistants/technicians, registered nurses, and non-prescribing nurse practitioners and physician assistants. This program is not intended for HCPs who primarily treat patients under 18 years of age.

Please note that Otsuka is required to report the value of a provided meal pursuant to applicable federal and/or state laws.

Please see Important Safety Information and the current package insert for the BreathTek UBT Kit at BreathTek.com or by calling 1-888-637-3835.

This invitation is non-transferable.
