Commercial Driver Medical Examiner Training Course

November 9, 2013 or February 15, 2014
8:00am - 4:30pm

This training course will enable Medical Examiners the ability to interpret and apply the Federal rules for commercial motor vehicle drivers and motor coach driver medical examinations, ensuring that drivers are physically and mentally fit to safely operate a commercial motor vehicle (CMV).

The goal of the National Registry for Certified Medical Examiner, Federal Motor Carrier Safety Administration is to promote and preserve the highest level of professional standards of training and care among medical examiners. To further that goal, the National Registry for Certified Medical Examiner Program requires that medical examiners performing commercial driver medical driver examinations be trained and certified before May 21, 2014. For more information call (813) 224-7860.
