NPAA's 15th Annual Conference aims to focus on leadership challenges which all Alabama NPs face in healthcare to improve the care we deliver for our patients. We are bringing together experts and leaders to exchange visions on healthcare management thinking, best practices, and ways to improve the care we deliver to our patients.

The program will be a rich mixture of formats starting from keynote sessions to highly interactive discussions and hands-on workshops.

**Friday** - All Day Sessions

**Saturday** - Hands-On Workshops and Opioid Updates

**Submit an Abstract**
