This presentation does not qualify for continuing medical education (CME),
continuing nursing education (CNE), or continuing education (CE).

BIPI acts in accordance with the PhRMA Code on interactions with Healthcare Professionals
The PhRMA code states the inclusion of a Healthcare Professional's spouse or guest at an educational program
is not appropriate. Aspects of this program may be reportable under the Physicians Payment Sunshine Act.
Your support of these ethical guidelines will help ensure a high quality learning environment for
all participating Healthcare Professionals. Thank you.
