End of Life Series, part 2

ADVANCE CARE PLANNING & END OF LIFE CARE, A REVIEW FOR HEALTHCARE PROFESSIONALS

How can providers integrate Palliative Care into active treatment?

During this course, participants will discuss how healthcare providers can start the conversation about end-of-life care, and how to assess if patient (and their families) understand the difference between palliative care and hospice.

Instructor: Francesca Stracke, DNP,
ARNP, FNP-C, ACHPN
