

Bay Area Nurse Practitioner Association Friends of BANPA 2022

The Bay Area Nurse Practitioner Association (BANPA) was created in 2003 to provide networking and educational opportunities as well as community outreach while promoting the discipline. BANPA serves Nurse Practitioners and NP students in the Greater Mobile Bay area.

Thank you for your consideration in partnering with our organization as a "Friend of BANPA." As our partner, here are a few things to consider in making your decision:

- A sponsorship donation is tax deductible as BANPA is a 501c3 organization.
- All donors with sponsorships of \$250 or greater will be featured on our 2022 BANPA shirt and receive one of our shirts (must be received by 1/7/22).
- All donors will be posted at our January membership drive and continuing education event and are invited to provide promotional materials to be displayed.
- Sponsorship shows our community your generous support of local nurse practitioners in the Mobile Bay area.

**Please make checks payable to:
Bay Area Nurse Practitioner Association**

**Mail checks and form to:
Linda Fontenot (Treasurer) at 431 Village Drive, Daphne, AL 36527**

Please email exact listing of business name to be listed on the shirt and your shirt size to Meredith Davis (President) at meredith817@gmail.com.

Donations received by 1/7/22 will be included on our 2022 shirt.
