

Chicagoland Gerontological Advance Practice Nurses Association (CGAPN)

Presentation: A "Take Away" Lesson: Deprescribing

Presenter: Karen Vuckovic PhD, APRN, ACNS-BC, Clinical Associate Professor at University of Illinois College of Nursing, APRN in the Heart Failure Program, and adjunct faculty in the College of Medicine.

Date: August 11th, 2022, 7 pm (CST)

Location: Rush Oak Park Medical Office Building, 610 S. Maple, Suite 2000, Oak Park, IL 60304 or via Zoom Link

Time: Onsite meeting opens at 6:30 and virtual conference link opens at 6:40 pm for networking (CST). Dinner provided for onsite attendees.

CGAPN, the Chicago chapter of the Gerontological Advanced Practice Nurses Association (GAPNA) invites you (practitioners, faculty, and students) to a **FREE** presentation, discussion for one contact hour.

Major topics covered are:

- Defining deprescribing and critically review current guidelines.
- Applying the process of deprescribing to specific drug classes.
- Discuss how to achieve goal-aligned deprescribing in older adults

Registration is required through ENP website <https://chicagolandgapna.enpnetwork.com>

or e-mail eignat2@uic.edu

Zoom Link Provided by August 8th.

Contact Hours Offered:

This event offers one contact hour(s) to attendees. To receive contact hours participants must attend the presentation and pass a short post-test demonstrating knowledge of deprescribing in the older adult including the process of deprescribing in specific drug classes with a score of 80% or higher and submit an evaluation form.
