

# Are you a primary care provider?

## Consider participating in a short online research study!

This research study examines how primary care providers make decisions on performing cervical cancer screening in women with Intellectual and developmental disabilities (I/DD).

### Are you eligible to participate?

- Must be a Primary Care Provider (PCP)
  - MD/DO, PA, NP or Midwife who lives and practices in the United States
- With a specialty in one of the following areas:
  - Family Medicine, Internal medicine, OB-GYN, or Midwifery
- If you have any additional questions about the study, please reach out to Michele Lee at [Michele.Lee@nau.edu](mailto:Michele.Lee@nau.edu)

### Time Estimate:

- 10 minutes

### Participants will receive:

- Compensation for their participation
