You are cordially invited to an event hosted by the Advanced Practice Registered Nurses Council of Coastal Georgia.

This non-CEU dinner meeting will include presentations by our members on topics of interest and a chance to collaborate and network with other local APRNS.

- Topics to include:
 - Virtual Reality as Treatment Modalities
 - Introduction to Pulmonary Function Tests + Overview of Stepwise Approach to Patient Management
 - HIV Prevention Medication - PrEP
 - 2024 Annual Members Survey Results

Please RSVP via the QR code below, through our website by going to the events tab and clicking on “October Meeting,” or directly to Christen. Participants not able to attend in-person will also have the option to attend via Zoom.
