Disclosure

This educational activity is not accredited. The program content is developed by Madrigal Pharmaceuticals, Inc. Speakers are being compensated for their time by Madrigal Pharmaceuticals, Inc. and present on behalf of the company.

Spouses or other guests are not permitted to attend company-sponsored programs, unless spouse or other guest(s) independently qualify as an attendee. For all attendees, please be advised that information such as your name and the value and purpose of any educational item, meal, or other items of value you receive may be publicly disclosed. If you are licensed in any state or other jurisdiction or are an employee or contractor of any organization or governmental entity that limits or prohibits meals from pharmaceutical companies, please identify yourself so that you (and we) are able to comply with such requirements.

Please note that the company prohibits the offering of gifts, gratuities, or meals to federal government employees/officials. Thank you for your cooperation!

MASH=metabolic dysfunction-associated steatohepatitis.
