## No Upfront Costs

At BioFi, we're dedicated to making remote patient monitoring simple and hassle-free! With no upfront costs and seamless installation handled by our team, our nurses can easily track your patients' vitals for you. Let us take care of the setup, so you can focus on providing the best care for your patients.

## Upcoming Dinner

When: October 16<sup>th</sup>, 2025

Time: Starts at 6 PM

Address: 6866 E Sunrise Dr.

Tucson, AZ 85750

Here at BioFi, we're inviting you to attend a Dinner Presentation by both our CEO Seth Campbell, and our Sales Representative Fred Graves. The Presentation will cover Our Services detailed down below, alongside who we are as a company.

## Our Services

- **No Upfront Costs:** Start without any initial investment; we handle the setup for you.
- **Get 16 Days Every Month:** Ensure compliance and meet requirements with 16 days of non-contact monitoring every month—no patient cooperation needed.
- **Generates Revenue Immediately:** Start generating revenue immediately, allowing you to maximize your earnings from the very beginning.
- **We Do All the Work:** From installation to patient support, our team manages everything for a seamless experience.
- **No Time Commitment Required:** Flexible program with no long-term obligations—participate as it suits your practice.

Ready to easily track your patients' vitals while boosting your facility's revenue? Get started today with our hassle-free solution. Contact us now to schedule a consultation or learn more about how we can support your practice!
