

Dine and Discover the Latest in PCR Respiratory Testing

You're invited to join us for an evening of discovery and discussion as we delve into the latest in rapid multiplex molecular testing!

Shifting the Paradigm of PoC Respiratory Testing

Join us to learn how the BIOFIRE® SPOTFIRE® can transform the traditional workflow of respiratory testing at the point of care by delivering PCR results for up to 15 respiratory pathogen targets in ~ 15 minutes.

Location: Sullivan's Steakhouse, Anchorage, AK

Date: October 14th, 2025

Time: 6:00 PM

Speaker: Keri Blasingame - bioMérieux US Medical Affairs Team

We look forward to meeting you!
