

Thank you to the volunteering members who helped pack boxes on Saturday, November 22nd at the Food Bank. We had a great time working together for this special cause. The packed boxes will go to agencies across Central PA such as other local food pantries, rescue missions, and Salvation Army to help those who do not have the blessings we enjoy.

We hope to continue this as an annual event but maybe schedule it in the winter, after the holidays, when schedules are less hectic. You can volunteer individually at any time by contacting the food bank.

Holiday Party

AT the Holiday party on December 19th, we will be signing holiday cards to be distributed at local nursing homes to spread holiday cheer. We usually tape on a bite sized piece of candy to the card also. You can take a bundle of completed cards to a facility near you. Just call the social worker or activity director at the facility to coordinate the drop off of the cards. Please bring a box of cards with you and any colored flares/ pens you may want to use. The cards should be non-religious, unless the facility you are going to is of religious standing. We'll have a great evening!!
