

Buprenorphine

Nurse Practitioner Study

Are you an NP
working in rural
primary care in
New England?

Would you like
to participate in a research
study & receive a \$125
gift card?

We are conducting a study looking at
NP attitudes around use of
buprenorphine in primary care.

What's involved?

A brief online survey (about 5
minutes)

A confidential one-on-one Zoom
interview (60–90 minutes)

Interested?

mwhitfield@umassd.edu

802-777-8599

You may be eligible if:

- ✓ You are a licensed Nurse Practitioner in the U.S.
- ✓ You work in a rural primary care setting in CT, MA, ME, NH, RI, or VT
- ✓ You do not prescribe buprenorphine for opioid use disorder
