

Dear KAPN members,

Your KAPN-PAC is gearing up for the 2026 election cycle. As you have probably heard, APRNs are in a battle at the federal level to get APRNs included in the Department of Education's definition of a Professional Degree Program. APRNs meet the definition but have been excluded in the list of professional students who qualify for a higher limit on student loan money. If the DOE doesn't change this "oversight", it will be disastrous for states like Kansas. The comment period will be coming up soon, please get involved. In Kansas, we need to be vigilant about any actions that would hurt APRNs in Kansas.

The KAPN-PAC relies on your support to back APRN-friendly candidates and legislators at the local, state, and national levels. Your donation helps us strengthen the KAPN-PAC, ensuring we stay active and continue supporting leaders who advocate for APRN-positive legislation, ultimately benefiting patient care. Every dollar contributed goes directly toward this mission. We depend on your help to continue this essential work.

KAPN-PAC accepts checks or you may use the convenient QR code on this letter to donate on-line.

Checks can be mailed to KAPN-PAC c/o Holly Cobb, treasurer
3429 SW Stonybrook Drive, Topeka, KS 66614

Respectfully,

Your KAPN-PAC Board

Michelle Knowles, President

Holly Cobb, Treasurer

Janelle Williamson, Secretary
