

# Community Psychiatry Fellowship for Advanced Practice Providers

## Apply March 1 - 31

The Community Psychiatry Fellowship for Advanced Practice Providers is a one-year postgraduate fellowship in which fellows rotate through key areas in behavioral health, participate in a structured mentorship program, and attend didactics. The 2026-2027 application is open from March 1-31, 2026. Experienced PAs/NPs, recent graduates, and PAs/NPs graduating in May or August 2026 are encouraged to apply.

- 12-month, post-graduate training program for licensed psychiatric nurse practitioners and physician assistants.
- APP fellows are contracted for 12 months with Acclaim Health. At the completion of the program, full-time positions may be offered.
- Application periods occur annually.
