

TEXAS ONCOLOGY

You are cordially invited to attend the HPV Awareness in **OUR** Community Program

This educational program is designed to **strengthen** both public awareness and clinical understanding of HPV-related cancers in young adult and adult populations while **empowering healthcare professionals** to confidently engage patients and families in meaningful conversations around **prevention and screening**.

- **Date:** Thursday, March 26, 2026
- **Time:** 5:30 PM – 7:30 PM CST
- **Location:** Texas Oncology–Odessa West Texas Cancer Center – Lobby
500 W. 3rd St.
Odessa, TX 79761

Together, we can make a difference. **Join us** as we work together to strengthen education, prevention, and early detection efforts to reduce **HPV-related cancers in our community**.

Limited seating. Please click [here](#) to RSVP or email: Heather.Herhold@usoncology.com
