ED Seminar for Healthcare Providers

Erectile dysfunction is not only a problem in the bedroom

Up to 50 million men in the US suffer from ED,¹ yet less than 1% of them move on to receive a long-term solution.²

As an early indicator of cardiovascular disease³ and other serious illnesses, screening patients for ED is more important than ever.

Connect with an ED specialist

- Learn about advanced treatment options
- Improve patient care

Dr. Pedro Espino-Grosso is a board-certified urologist at Z Urology. He brings his expertise in a wide range of urological conditions and his ability to provide personalized care in both English and Spanish. His diverse background and comprehensive training make him a valuable asset to the South Florida community.

Date: August 19, 2026

Time: 6:30 pm

Location: Seasons 52
2300 NW Executive Center Drive
Boca Raton, FL
