

Tyler J. Thomas, CRNP, AGACNP-BC, CCRN, RT(R) is an Advanced Heart Failure and Durable MCS CRNP at Penn State Health and an Instructor of Medicine at Penn State College of Medicine. With more than a decade of cardiovascular nursing and advanced practice experience, Tyler brings expertise in clinical care, research, education, mentorship, and APP leadership. He is passionate about advancing the NP profession through advocacy, collaboration, policy, and leadership to strengthen the NP profession and patient care across Pennsylvania.

Kim Dodson has been a Nurse practitioner since 2006. She is currently the treasurer for the ARON, Founder of the Teal blanket, a non-profit organization that provides assistance to sufferers and survivors of gyn cancers. Kim is the Lead NP for the Lebanon VA medical Center and serves as the chair of the ANP council at the Lebanon VA as well. Kim is highly regarded by her urology, and robotic clients and colleagues, and she kindly assists many of the surgical services.
