

ATTENTION

Are you a CAREGIVER for someone with a Traumatic Brain Injury (TBI)?

Invitation to Participate in an Online Research Study

IRB#: 26.0162

We are seeking to better understand caregiver grief and how caregiving responsibilities and changes in daily participation may relate to those experiences. The study involves a brief, anonymous online survey that takes approximately 10 minutes to complete.

Department of Otolaryngology and Communicative
Disorders | Speech-Language Pathology

Primary Investigator: Alan F. Smith, EdD, CCC-SLP
Co-Investigator: Emmalee Neumann, BS
