

NEW RESEARCH OPPORTUNITY FOR FAMILY CAREGIVERS

Are you a caregiver of someone living with memory loss?

Benjamin Rose and BetterAge are conducting in-person focus groups to explore your experiences with a mobile application being designed specifically for caregivers of a family member or friend living with memory loss or dementia.

SHARE YOUR EXPERIENCES

One in-person session for 90 minutes with 6-8 other caregivers where we will:

- Explore a mobile application designed to help caregivers manage stress, improve self-care, and create realistic goals for better health and well-being
- Ask your thoughts on what you liked and didn't like about the application
- Observe how easy or challenging the app is to navigate

LOCATION
