Work Experience

Nurse Practitioner

Brown Health Medical Group Primary Care, Middletown, RI
May 2019-present

Provide primary health care services to patients across the lifespan. Initiates preventative services and health screenings, manages patients with chronic diseases, and provides episodic treatment for acute health conditions. Collaborates with interdisciplinary professionals to coordinate patient care.

Lead Clinician

Brown Health Medical Group Primary Care, Middletown, RI
January 2025-present

Oversees and guides the delivery of high-quality clinical care within BHMG Primary Care Middletown practice. Provides leadership and supervision for physicians, advanced practitioners, and clinical staff, ensuring alignment with patient care and financial goals. Supports the effective management of daily clinical activities, promotes continuous improvement working in close collaboration with administrator practice leaders and operational leaders.

Registered Nurse

Rhode Island Hospital, Providence, RI

March 2011 - May 2019

Provide inpatient level of care to adults on various floors throughout the hospital including medical, surgical, and psychiatric floors. Specific specialties include hospital medicine, oncology, renal, orthopedics, vascular, and geriatric psychiatry. Two years of experience on a dedicated neuroscience floor caring for general neurology, stroke and neurosurgical patients.

Registered Nurse

The ENT Center of Rhode Island, Warwick, RI

April 2013 – May 2019

Provide care for pediatric and adult patients in an ambulatory surgical setting pre-operatively and post-operatively. Perform thorough nursing assessments to ensure patients are appropriate surgical candidates pre-operatively. Provide close and careful monitoring of pediatric and adult patients recovering from anesthesia.
