ABBOTT | CardioMEMS HF System

Dinner & Educational Program

Please join us for an evening of dinner and discussion with Dylan Hollister, Abbott CardioMEMS Territory Manager, on the features and benefits of the CardioMEMS HF System and how it can help improve care for patients living with heart failure.

Date: November 18

Time: 6:00 PM

Location: Visaggio's, 6990 Wertzville Rd, Enola, PA 17025

Discussion Topics

- CardioMEMS HF System features and technology
- Clinical benefits and heart failure management
- Earlier intervention through remote pulmonary artery pressure monitoring
- Improving patient outcomes and reducing hospitalizations
