YOUR NEXT CHAPTER STARTS HERE

Transition-to-Practice: NP Roundup: Breaking Trail - Your Guide to Riding into Practice

- **Trail Maps from the Trailblazers:** Real-world transition strategies from nurse practitioners who have successfully navigated the student-to-practitioner journey.
- **Saddling Up with Confidence:** Practical tools to help bridge the confidence gap between graduation and your first patient encounter.
- **Corralling common role-transition challenges:** Proven approaches for navigating them.
- **Experiences on the Range:** A panel of recent graduates where you can ask candid questions of NPs who have just been through the transition.
- **Roping in career connections:** network with experienced NPs, recruiters, and professionals who can offer career advice.

Your education has prepared you clinically. Building your professional identity and confidence as an autonomous provider takes its own trail map—and the right support can make a meaningful difference as you begin your career.

Please plan to attend—and give yourself permission to take the day off from clinic or school.

Join us for an essential day for a range of professional development, practical guidance, and connection. Invest in your future, strengthen your transition into practice, and take the next step toward a thriving, sustainable NP career that supports exceptional patient care.
