This program is intended for primary care physicians (including family practitioners and internists), gastroenterologists, and any other prescribing healthcare professionals involved with the diagnosis and testing of *H. pylori* in adults, as well as non-prescribing healthcare professionals involved with the administration of BreathTek® UBT for *H. pylori*, such as medical assistants/technicians, registered nurses, and non-prescribing nurse practitioners and physician assistants, as prescribed by a physician. This program is not intended for primary care physicians who primarily treat patients under 18 years of age.

In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to Healthcare Professionals. Accordingly, attendance by guests or spouses is not permitted.

This is a promotional program and no CME credits are offered. This educational program may include the provision of a modest meal. Otsuka does not offer such a meal to healthcare professionals (HCPs) whose institutions prohibit such hospitality, nor does Otsuka offer such meal where federal or state laws limit an HCP's ability to accept such a meal. Accordingly, please consult your legal or ethics advisor regarding any applicable limitation before attending this educational program.
