

## 19th Annual Conference Featured Speakers

Wendy L. Wright

Wendy L. Wright is a 1992 graduate of the Adult Primary Care Nurse Practitioner program at Simmons College in Boston, Massachusetts and completed a family nurse practitioner post-master's program in 1995. She is an adult and family nurse practitioner and the owner of Wright & Associates Family Healthcare. In addition, she is a Partner with Partners in Healthcare

Education. She received the 2009 NH Nurse Practitioner of the Year award and in 2005 was inducted as a Fellow into the American Academy of Nurse Practitioners. She presents nationally to different audiences and has been a speaker at over 500 conferences in 43 states.

Alan P. Agins received his Ph.D. in Pharmacology & Toxicology from the University of Rhode Island. He has held faculty appointments at Brown University Medical School, Northeastern University School of Pharmacy and University of Virginia School of Nursing. During his tenure at Brown, Dr Agins was the recipient of the Dean's Teaching Excellence Award for five consecutive years.

## Overview

This course is designed to meet the continuing education needs of advanced practice nurses. There will be an intense review and update of new pharmacological agents. Discussion of drugs and treatment modalities relating to specific illnesses will be reviewed at length. Drug actions, indications for use, contraindications, and side effects will be presented.

## Objectives

- Explain basic pharmacological and pharmacokinetic principles as they relate to devising a proper therapeutic regimen.
- Select an appropriate therapeutic treatment plan for a given patient condition.
- Determine appropriate use for new pharmacologic agents.

### Credit: Contact Hours –pending

- This program is pending approval with the American Academy of Nurse Practitioners. Certificates will be available at the conference. Appropriate CE will be awarded for attendance.
