8:00 a.m.-3:30p.m.

Pharmacology Update 2012

MU's Department of Nursing is proud to offer a comprehensive review of the latest pharmacological recommendations and management strategies in diabetic and hypertensive care as well as an update on the issues encountered in psychopharmacology for Family Practice.

This event is free to our preceptors as a special thank you for their efforts in helping us to prepare the highest quality MSN graduates! If you have been a preceptor for Millersville University in the past three years, there is NO charge for this event!

Enjoy learning from experienced and knowledgeable faculty active in their own clinical practice. MU offers a relaxed learning environment to meet your learning objectives.

Registration

Registration includes continental breakfast, lunch, educational handouts and certificate.

Contact Dr. Kelly Kuhns, RN with questions: 871-5276 or Kelly.kuhns@millersville.edu

Six (6) Pharmacy contact hours awarded at the end of the day.
