

DESCRIPTION

Topics in Acute & Ambulatory Care for Advanced Practice Providers (APP)

APPs are evaluating larger numbers of older patients with significant chronic medical conditions. Managing these complex patients poses many challenges. This program is designed to offer an evidence-based review and updates in acute and ambulatory care settings. You may enroll for one day or both days.

Day one: Topics in Acute Care.

Day two: Topics in Ambulatory Care.

Program Highlights

- Updates in specialty areas of clinical practice and interactions with national speakers
- The latest evidence-based initiatives within specialty areas
- Advances in the diagnosis and treatment of common problems in complex patients
- Incorporating Quality Indicators into practice as a way to measure success

Provider Approved by the
California Board of Registered Nursing (BRN)
Provider Number CEP12165
8 contact hours/ day 1 & 7 contact hours/ day 2

Stanford Hospital and Clinics is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
7 contact hours/ day 1 & 6 contact hours/day 2

This program is not yet approved for CME credit. Conference organizers plan to request 12 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.
