BIPI acts in accordance with the PhRMA Code on interactions with Healthcare Professionals. The PhRMA code states the inclusion of a Healthcare Professional's spouse or guest at an educational program is not appropriate. Your support of these ethical guidelines will help ensure a high quality learning environment for all participating Healthcare Professionals. We ask that all healthcare professionals abide by all relevant state and institutional restrictions on attending off-site, company sponsored meals. The states of Minnesota and Colorado have restrictions on meals provided to healthcare professionals. Healthcare professionals licensed in Vermont may not attend a meal program.
