Continuing Medical Education Credits

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and policies of Accreditation Council for Continuing Medical Education through the joint providership of Primary Children's Hospital, the Department of Pediatrics at the University of Utah School of Medicine, and St. Luke's Children's Hospital. Primary Children's Hospital is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit: Primary Children's Hospital designates this live educational activity for a maximum of 12 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to *AMA PRA Category 1 Credit*[™] toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed credit, not as Category 1.

Nursing Continuing Education Credits

Primary Children's Hospital is an approved provider (P11-002) of continuing nursing education by the Utah Nurses Association; an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity offers 12 nursing contact hours.

Conference Overview

The Pediatric West conference addresses the latest practical information for physicians, nurses, physician assistants, and advanced practice nurses delivering healthcare to children. Other health professionals are welcome to attend. Interaction between faculty and the audience is encouraged.

Conference Objectives

As a result of this conference, the attendee should be able to:

- 1 Recognize and implement new strategies in the clinic environment to improve patient outcomes.
- 2 Comprehend the behavioral health issues that can be addressed in the primary care medical home.
- 3 Assess and treat the adolescent athlete in your practice.

Locations & Accommodations

Pediatrics West will be held at the Sun Valley Resort in spectacular Sun Valley, Idaho. Special rates have been arranged with the Sun Valley Lodge for a block of rooms. Be sure to indicate that you will be attending the Pediatrics West Conference. This room block will be held until June 15, 2014. After this date, reservations will be accepted on a space-availability basis. Please make your reservation early by calling the Sun Valley Reservations Office at 800.786.8259 or <http://www.sunvalley.com/trip-planner/groups/PEDWEST/> For all hotel guests, complimentary transfers from Friedman Memorial Airport in Hailey, Idaho, are available by calling 208.662.2122.

Ideas for your free time

Sun Valley Golf

<http://www.sunvalley.com/things-to-do/iceshows/>

Sun Valley Lake

<http://www.sunvalley.com/things-to-do/summer-activities/#/paddle-boats/>

Ride the mountain gondola for mountain biking, hiking, and sightseeing.

6 Benefits of Attending

- 1 Learn the latest advances that you can apply to your practice.
- 2 Attend a national quality conference at a low cost.
- 3 Enjoy learning in a relaxed but effective learning atmosphere.
- 4 Take home a wealth of material to use for future reference.
- 5 Exchange ideas and experiences with peers.
- 6 Network with your colleagues.

What you'll miss by not attending

- 1 An opportunity to increase your knowledge and skills in pediatric care.
- 2 Information that you'll be able to use in your practice.
- 3 An opportunity to have your questions answered by the pediatric specialists who provide clinical care.
- 4 The fun and beauty of Sun Valley in the summer.

How to Attend

You may register online, by mail, or fax. As soon as your online registration is processed or your form is received in the Pediatric Education Services office, a confirmation e-mail will be sent. You will receive a conference syllabus when you arrive at the conference.

Written notice of cancellation is required to receive a refund. All refunds are subject to a \$50 processing fee. No refunds will be made after July 15, 2014.

Register before July 15, 2014 and save \$50 off the full registration fee.

7:30 – 8:00 am Registration – Continental Breakfast – Exhibits

8:00 – 8:15 Welcome and Conference Overview

Christopher Maloney, MD, PhD and Gregory Janos, MD

8:15 – 9:15 Journey to Improved Health: Stories from an Asthmatic

Christopher Maloney, MD, PhD

- Describe process improvement efforts to standardize inpatient asthma care
- Develop a strategy to use decision support tools to assist families to manage chronic conditions in an ambulatory setting
- Devise care coordination strategies for management of ambulatory asthma

9:15 – 10:15 Treatments for Common Dermatological Conditions

Sheryll Vanderhooft, MD

- Recognize newer or more advanced treatment options for common skin conditions in children
- Identify patients who would benefit from such treatments

10:15 – 10:30 Break – Exhibits

10:30 – 11:30 New Trends in Pediatric Cancer

Elizabeth Raetz, MD

- Describe new diagnostic tests for childhood cancer
- Discuss emerging therapies for common childhood malignancies

11:30 – 12:30 Caring for Children with Congenital Heart Disease (CHD)

Lloyd Tani, MD

- Discuss pulse oximetry screening for CHD
- Recognize new forms of treatment of CHD
- Identify key points to consider in evaluating the child who has had recent surgery for CHD

12:30 Q & A Buffet – Lunch provided  **selecthealth.**

7:30 – 8:00 am Registration – Continental Breakfast – Exhibits

8:00 – 9:00 Toxic Stress and Primary Care

Brooks Keeshin, MD

- Identify neuroendocrine effects of chronic exposure to trauma and toxic stress
- Review methods of screening children for exposure to trauma
- Plan initial management and support for children exposed to trauma

9:00 – 10:00 Autism and Autism Management in the Primary Care Setting

Paul Carbone, MD

- Summarize the common medical conditions that are frequently seen in children with autism spectrum disorder
- Construct a framework for management of associated medical conditions using practice guidelines developed by the Autism Treatment Network

10:00 – 10:15 Break – Exhibits

10:15– 11:15 Adolescent Depression and Suicide Prevention

Roberto Negron, MD

- Define the current clinical concerns in major depression
- Identify the most important risk factors in teen suicidal behavior

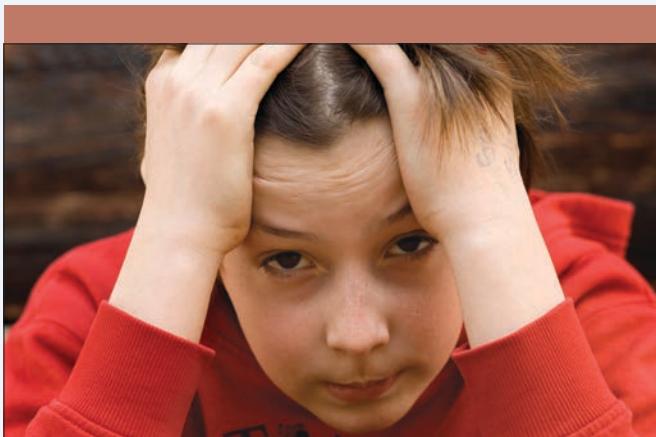

11:15 – 12:15 Pediatric Psychopharmacology: An Update for Primary Care Practice

Richard Martini, MD

- Discuss new developments in the use of psychotropic medications for children and adolescents
- Identify the need to carefully assess and monitor patients who are treated for behavioral and emotional problems with medications
- Recognize the risks and limitations of psychopharmacologic treatment in pediatric patients

12:15 Q & A Buffet – Lunch provided

5:00 – 6:00 Join Us for an Evening Reception

Sunday, August 3, 2014

Adolescent Athlete

7:30 – 8:00 am Registration – Continental Breakfast – Exhibits

8:00 – 9:00 Best Practice in Concussion Management

Kurt Nilsson, MD

- Describe the pathophysiology of concussion
- Identify updates regarding return to learn/return to play
- Describe how the pathophysiology of concussion determines treatment approaches

9:00 – 10:00 Injuries of the Knee

Kevin Shea, MD

- Review diagnosis and treatment of common knee injuries in young athletes
- Review knee injury prevention programs for young athletes

10:00 – 10:15 Break – Exhibits

10:15 – 11:15 Cardiac Screening of the Adolescent Athlete

Elizabeth Saarel, MD

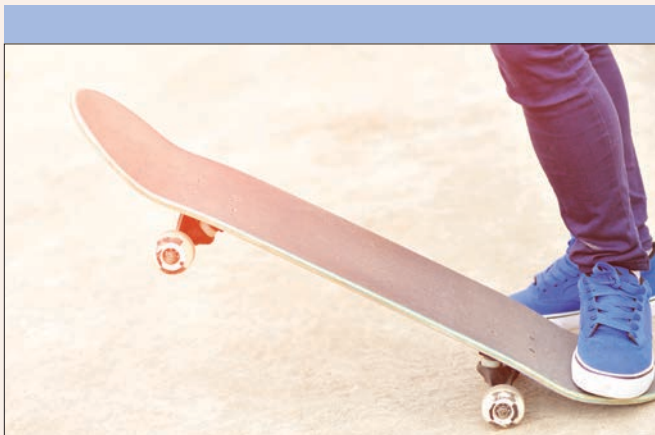

- Discuss cardiac conditions that may cause sudden death during sports
- Describe current recommendations for pre-participation cardiac screening for athletes
- Recognize worrisome symptoms during sports that should prompt cardiac re-evaluation

11:15 – 11:45 Adolescent Athlete Panel Discussion

11:45 – 12:00 Conference Wrap Up

Christopher Maloney, MD, PhD and Gregory Janos, MD
