2014 Invited Speakers

Barbara Safriet, J.D., LL.M., FAANP;

Her esteemed career as an advocate of nurse practitioners started with her seminal paper in the Yale Law Journal in 1993 entitled Health Care Dollars and Regulatory Sense: The Role of Advanced Practice Nursing. She is currently teaching as a Visiting Professor of Health Law at Lewis & Clark Law School in Portland, Oregon. Today she continues to write legal opinions on local and federal levels that voice support for important issues.

Dr. Tay Kopanos, DNP, Director of Health Policy/ State Government Affairs:

Tay oversees state legislative and regulatory affairs program for the American Academy of Nurse Practitioners. Her passion for successful legislation makes her both a dynamic speaker and resource for the Florida Nurse Practitioners!

Jeffrey Bauer, PhD

He is a leading healthcare futurist who forecasts the evolution of health care and develops practical approaches to improving the medical marketplace. He is widely known for his realistic proposals to create efficient and effective health care through collaboration. Dr. Bauer has published more than 250 articles, books, Web pages, and videos on health care delivery.
